

Rapid Fibre 40

CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION

This service provides high-speed Internet access via a fibre-optic-based connection delivered over Fibre technology to your premises.

MINIMUM CONTRACT TERM

24 months

Equipment Required

You will need a compatible router and / or firewall at your premises. Contact Commander for further details.

Service Availability

The service is not available in all areas or to all customers. It is only available to eligible business customers located in Commander on-net Fibre enabled buildings.

KEY DETAILS

This service provides symmetrical speeds of up to 40Mbps. The actual speeds you experience depend on many factors, including your equipment, the number of end-users, the source of the data and the applications in use.

Additional IP Addresses can be purchased from Commander at an extra cost if required.

Install

You can choose to pay installation upfront or spread the cost over each month of your minimum term contract. Standard install provides the service to the hand off point of demarcation (Ethernet Switch). You must install a compatible router or firewall and any cabling required after hand off point.

Bundling Arrangements

No bundling is available with this service or required to receive this service.
